

Bridge & Line Fire Local Assistance Center

Los Angeles and San Bernardino Counties are working together providing assistance to residents affected by the recent Bridge and Line Fires.

The purpose of a LAC is to provide a one-stop center where individuals, family members, and business owners may obtain information on services and assistance needed because of a disaster or damage to personal property.

Services available include: replacing lost records, information on property cleanup, repair and rebuilding, insurance claims, and public resources for community recovery.

Participating agencies include:

- Los Angeles County
- San Bernardino County
- State Agencies
- Non-Profit Organizations
